Questions? (206) 956-3624

In most cases, a portion of the WSSP dues may be deductible for tax purposes as professional or business expenses. For your records, please note that the Revenue Reconciliation Act of 1993 states that association dues used for lobbying activities are not deductible as a business expense. As a result your WSSP dues for 2017 cannot be deducted as a business expense for federal income tax purposes.
